

IT'S SMART TO RECYCLE!

Sunnyvale Solid Waste & Recycling

This calendar of Sunnyvale residential solid waste services and activities is provided to help you plan for the disposal of your garbage, recyclables, yard trimmings and hazardous materials. These services include extended curbside collection during the Spring and Fall Cleanups, extra dumping weekends at the SMaRT Station®, monthly household hazardous materials drop-off events, and home composting information workshops.

Keep this calendar handy and take advantage of the many convenient services that help keep your home and community attractive, safe and clean. And, thank you for putting waste reduction and recycling first! We're now diverting 61 percent from landfill.

The City of Sunnyvale, in cooperation with its contracted service providers, Specialty Solid Waste & Recycling and GreenTeam/Zanker of Sunnyvale, provides residents and businesses with comprehensive garbage collection and recycling services throughout the year.
